

LETTER 6

Nov 1903

Messrs R.W. Paul  
66 High Holborn  
LONDON W.C.

Dear Sir

Will you kindly forward me your prices of your new "Moving-Coil" Instruments, which I noticed described in the Electrical Review.

An early reply would oblige as I have clients to whom these instruments would be especially suitable.

Awaiting your good news.

I am yours faithfully  
*Alf Geo Jackson*
