

LETTER 33

July 23rd 1904

Gladstone Meat Works of Q. Ltd.
GLADSTONE.

Dear Sir,

Yours of 19th & 20th to hand, with cheque for which I enclose voucher.

Observer also received with thanks for which I enclose postal note.

I shall be pleased to guarantee the instruments for twelve months, but after this time if you have trouble through the fault of an instrument I should be willing to assist you in every way, or even change the instruments, as it is my object to keep every installation a perfect success if possible. We are just fitting 12 dials in the "Courier Building" and are also very busy preparing for other installations.

Yours faithfully,
Alf Geo Jackson
