

LETTER 71

29th August 1907

The Commissioner of Patents

Melbourne

Dear Sir,

Herewith I enclose an Application for Letters Patent for my invention entitled "A system of Electrical releasing mechanism for Turret Clocks Bell striking apparatus and other purposes" also Original & True Copy of Complete Specifications, Statement of Address for Service and am sending under separate cover two drawings.

Herewith please find Money Order for £1/-/- being the amount of the application fee.

Trusting that you will find everything in order.

I remain

Yours faithfully

Alf Geo Jackson
