

LETTER 124

65-67 Ann Street
BRISBANE
13 th. Nov. 1922

E. C. Barton, Esq.,
"S. S. ANCHISES"

Dear Mr. Barton,

Herewith are two copies of amended Agreement approved by Mr. L'Estrange.

You will note Mr. L'Estrange and I have carefully considered the Agreement and you will particularly note the alteration made in Nos. 8 on page 1. and Nos. I, VII and VIII of second page which practically covers all the points mentioned to me and also to Mr. L'Estrange. Mr. Abel is also of the opinion that you are fully protected and have all necessary powers under the Agreement to deal with the patents abroad.

If these are correct and you will sign both and send to Mr. L'Estrange authorizing him to settle I could sign both in his presence and he could return your copy.

I am,

Yours truly,
Alf Geo Jackson
